We Are Enersol Biopower Pvt. Ltd.

Enersol Biopower®, established in 2013, is a well-known manufacturer, supplier, and distributor of biomass-to-energy products. The company has earned a strong reputation in the market for its innovative and efficient solutions.

One of its key products, the ESB-R Green- Agnika10, is a 10-inch smokeless biomass stove designed for small businesses such as tea/coffee stalls, samosa/kachori vendors, and PG houses. Made from durable mild steel (MS), it offers a long lifespan, features a 4-inch AC fan, and includes a flame adjustment option to enhance cooking efficiency and control.
